## Please remember...

- Swedish VAT is excluded when shipped to countries outside the E.U.
- For orders to be delivered within the European Union, please go to <http://diadirekt.com/>
- Specify folder structure on the back of this order form if you want the digital images saved in different folders. Group your originals in order to meet the folder structure (PLEASE PRINT)
- You need not count the originals you send to us, as our equipment automatically counts them during transfer. You will only pay for the number of images we transfer.
- We do not handle photos being framed or in albums. Avoid glue or scotch tape left on them.
- If you do not want your old originals in return, the environmental impact is lower. We will keep them one week after your discs have been delivered, before we safely destroy them.
- If your e-mail address is provided (optional) your order is confirmed when it arrives to us. In the confirmation we also give you an expected delivery date for the transferred images.
- Our deliveries are sealed and specifically produced and personalized. According to rules on distance selling you do not have the right to cancellation of contract. When performing our services we handle personal data on behalf of the customer. For more information and current conditions visit our website, section "F.A.Q" (Frequently Asked Questions).
